STORAGE OF PERSONAL PROPERTY

1. Declaration of Legislative Intent.

Purpose. The City enacts this section to balance the needs of the residents and public at large to access clean and sanitary public areas consistent with the intended uses for the public areas with the needs of the individuals, who have no other alternatives for the storage of personal property, to retain access to a limited amount of personal property in public areas. The unauthorized use of public areas for the storage of unlimited amounts of personal property interferes with the rights of other members of the public to use public areas for their intended purposes and can create a public health or safety hazard that adversely affects those who use public areas.

2. Definitions.

The definitions contained in this subsection shall govern the construction, meaning and application of words and phrases used in this section.
